1. Workshop on Sports Injury & Rehabilitation

Savitribai Phule Pune University, Student welfare department sponsored Workshop on Sports Injury & Rehabilitation was organized on 17th & 18th February 2016. Workshop inaugurated at the hands of our alumni and President of Indian Association of Sports Medicine (IASM) Dr. Prag Sancheti.

The key objective of the event was for player on how to avoid getting injured while playing any sport. Dr. Sancheti stressed the importance of warming up and cooling down before and after any physical activity.

2. Industry Academia Meet:

In recent times it is increasingly experienced that there is a gap between manpower need of industry and supply of manpower available from educational institutions. Modern College of Arts, Science and Commerce, Shivajinagar, Pune, has organized series of Activities which were very beneficial for the students . The activities caught interest of students and the response received was overwhelming. These activities were spread through out the year.

The objective of these programmes was to identify the exact gap in curriculum and need additional input to be given to the students for their career. Principal Dr. R.S. Zunjarrao gave details of progress of college and efforts taken by the college to strengthen the collaborations with various industries. Experts from the industries Dr. Mandar Kulkarni, Dr. Deshpande from Bioserve, Hyderabad, Dr. Jagdish Benale from JBN Enterprises, Pune and academicians Prof. Dhimant Panchal, Prof. Ranjana Dani, Prof. Sanjay Jain, Prof. Alana Savant & Prof. Gaurang Shah, from MIT guided the students and expressed their views for bridging this gap.

Dr. Mandar Kulkarni, from Bioserve, Hyderabad , guided the students regarding importance of small things that are to be conducted properly and with full concentration, which is need of industry. Basic Mathematics, Preparation of Buffer solutions, punctuality in completion of works were some of the examples he discussed. Dr. Despande from Bioserve stressed on the point that student should be honest, whatever you know be honest, study the matters that you do not know very well. Scientists from CCMB, Hyderabad offered summer training for interested students at their places. Students interact freely with industrialist, researchers and Academicians for clarification for making career in industry or develop as an entrepreneur.

Dr. Jagdish Benale from JBN Enterprises, Pune, discussed details about gray areas for students' placement like Research and Development, production, management, human resource development and IPR. Stressing on the point 'high technology is always based on high science', he explain need of interdisciplinary approach in curriculum. Prof. Dhimant Panchal, from MIT, Pune explains need of business aspects to be included in syllabus, modify the syllabus as per current trends in market of applications and industries.

Prof. S.R.Choudhary illustrated the contents of curriculum to develop soft skills and efforts

taken by the college. Dr. Shubhangi Puranik, Prof A. V. Kamble took efforts to organize these

Industry Academia meetings in collaboration with Rorary club , Shivajinagar, Pune successfully. Prof. Sameer Nerlekar & Prof. Manasi Thakur, Prof. Alka Kamble of Modern

College who are taking great efforts to shape the careers of students of the college.

Prof. S. R. Chaudhari, Prof N. M. Naidu, Dr. Shubhangi Puranik took great efforts to organize industrial visits.

3. Vyapar Mela (2015-2016)

To enhance the spirit of entrepreneurship amongst the student of Modern College, Vyapar mela is organized every year . The stalwarts of the industry come to our campus to deliver key insights on how to run a business. This year we were graced by D.S.Kulkarni, the star of Real Estate business. He encouraged the students to start their own ventures , take risks and shared his timeless wisdom with students. Above 500 students attended his session on Entrepreneurship.
